CONNECT THE COUNTRY TO THE MISSIONARY FAMILY

How well do you know your geography?
Draw a line from the mission field to the name of that country. Now, write the name of one missionary family living in that country on the line below the country.

Let's Pray

Let’s pray for a different missionary family each day this week!
Choose a family from the graph above for each day

Starting a new mission work takes time and prayer.

Just like a butterfly has to go through changes, missionaries need to take steps when Jesus sends them to a mission field.

FIRST, they need to really pray and make sure they are ready. NEXT, they need to share with other Christians and travel to churches to raise financial support. FINALLY, they fly off to their new home.

What can we do to help them? We can support them with notes of encouragement, give money to support them, and pray for them.
Let’s help this missionary family travel to their new home.

Can you name one of our newer missionary families?
Let’s color the missionary’s new home!

Most missionaries will not live in a house that looks like this one. Some will live in big city apartments, some will live in simple cinder block houses in villages, and some will live in big houses where they can host visitors.

**Color Code:**
- H - green
- O - Brown
- U - Blue
- S - Red
Some missionaries live in cities.
Some missionaries live in apartment buildings. 
Now draw yourself in one of the windows!
What jobs do missionaries do when they live in another country?

God calls people with many different skills to help on the mission field. What jobs are these people doing?
Woodworking is a valuable skill in every country. Can you see things in your classroom that are made of wood? Someone had to have the skills to cut, sand and fit wood together to even make your church building!

Who is the most famous carpenter in the Bible?

Our missionary to Romania, Voicu Marian, is teaching a woodworking class for the children in a village near their home.

Let’s help the children think of projects to make.

First, list one item which begins with the letters listed in the box.

Next, arrange the letters to make the name of their country.

Have a contest with a friend! Who can race through this maze first? The winner gets to pray aloud for Voicu and Ana Marian.
COLORING CHALLENGE!

Did you know we have missionaries in Rwanda Africa? Dave and Debby Thomas have four children: • Breanna • Aren • Gwen • Alandra •

Let’s help the Thomas children find the animals in the picture below and then color the picture!
COLORING CHALLENGE!

Did you know we have missionaries in Rough Rock, Arizona? They work with the Navajo Indians. Let’s color these blankets and pray for the Navajo Indians and our missionaries!
Beautiful Butterflies live in many countries. Can you think of a country that might have beautiful butterflies? Write the name of the country you want to pray for in the blank:

Now, as you color the butterfly, pray for our missionaries in that country!

Parrots can be very colorful, too! Did you know that parrots live in tropical climates? Can you name three mission countries that might have parrots?

Our world is full of unusual animals! We can see them at the zoo but, sometimes, our Missionary kids can see them closer to their missionary homes. Some Missionary Kids also have pets. Help these animals find their way to the right country by drawing them a path. Many may live in more than one country!
COLORING CHALLENGE!

How many insects can you find in this drawing? Sometimes missionaries see lots of different insects in lots of different sizes!
LET'S LEARN ABOUT
TRANSPORTATION
IN OUR MISSION FIELDS:

Our missionaries live in many different types of countries. Some live in the cities and get to enjoy all of the modern conveniences that we have here in the United States while others live in villages. How do our missionaries get around? Match the country to as many types of vehicles they may use:

- Ireland
- Brazil
- Nepal
- Hong Kong
- Hungary
- India
- Ukraine
- Russia
- Romania
- Taiwan
- Haiti
- Jamaica
- Philippines
Helping in Haiti

Let's pray for our leaders in Haiti Pastor William and Marie Bertrand were born in Haiti, moved to the U.S. for many years, and moved back to Haiti to work more closely with our churches there.

Friends Churches in Haiti help the people with medical clinics, schools, and churches.

The children in Haiti are very poor but, they can play with some little animals that “jump”!

Connect the dots to find out what kind of animal they can play with!

The first one to finish connecting the dots can pray for the Bertrand family in Haiti!

How can we pray for the children?
Pray also that they will have stable families where they will feel loved and learn to love Jesus and live their lives the right way.

Haitian Proverbs:
“The rock in the water does not know the pain of the rock in the sun.”
(It's hard to understand another person's problems.)
“However bad today has been, tomorrow could be better.”

Did you know that families in Haiti often have big vegetable gardens?
What is your favorite vegetable?

Chickens have made a difference for Friends in Jamaica!
These children are dressed in their native costumes.

Two continents are represented by these costumes. Can you name them?

Now, list three missionary families who live in these areas of the world.
Some of our missionaries live on islands.
Let’s list the names of four island nations where we have missionaries. We’ll give you the first letters .... you fill in the rest.
Next, color this tropical fish while you pray for our missionary families.

Missionaries get to eat many different foods and to be with people of a different culture.

Some cultures cook all of their food in one big pot! Can you find your way through this kettle?

"God...wants all men to be saved and to come to a knowledge of the truth." 1 Timothy 2:4
HONG KONG

is an island city.
There are lots and lots of people living in Hong Kong.
They live in very large, apartment buildings with several stories! Can you draw a scene of Hong Kong?
Many people use their balconies as a back yard where they even hang out their laundry and potted plants!
There are also nice parks with water fountains for people to enjoy.
Let's draw a picture of something you might see in Hong Kong.

HUNGARY

is a country with farm land and cities. They have little villages with dirt roads and farm houses. The gypsy people live in very crowded conditions. They sometimes do not have water in their houses! They have to carry it from a well. Can you draw a farm with gypsy children carrying water?
LET'S DRAW!

JAMAICA

Is a tropical island country. They have lots of lush palm trees, pretty flowers and beaches. Can you draw something you might see if you visited Jamaica?

NEPAL

Is a mountainous, little country. Nepal holds the highest mountains in the world and people come from many countries to hike and climb their mountains. Can you draw a mountain?
A PRAYER CHALLENGE!
Did you know that your hand can remind you to pray for specific areas of need in another country?

Follow the instructions printed below and then pick one country to pray for each week.
