#### Natural Church Development (NCD)

More than 40,000 USA churches from close to 70 denominations have utilized NCD in their churches in the last 10 years. The NCD process will help a church identify their specific church health needs and provide a path to improvement. During our time together, Mike Williams will focus on the three aspects of NCD:

1. The Eight Quality Characteristics of Church Health
2. The Six Habits of Healthy Churches
3. The Five Steps of Implementing NCD
