Romania

Left: Voicu and Ana Marian minister to youth in Romania. Recently, Ana had the opportunity to help two adult women learn English. Ana shared, "After the first lesson, they were very surprised when I refused payment and told them that I'm doing it all in the name of Jesus. I had a chance to share my testimony. Having the freedom to tell what the Lord Jesus means to me is of great value - a God-given opportunity."

Right: EFC-ER sent support to our churches in South India who were impacted by heavy monsoon rain and flooding in August. Many church members were displaced due to the severe damage to their homes. EFC-ER pastors in India passed out food and supplies to those in need.

Haiti

Left: A team from Morningside Church re-roofed a church and school facility in Haiti. EFC-ER also provided support for church members who experienced tremendous damage to their homes from the earthquake in October.
