EFC-ER Church Planter Coaching Agreement

Date: _____

Coach: _____

Church Planter: _____

Purpose: Coaching is coming alongside another person to encourage, equip, and empower them through the process of self-discovery in an effort to help them succeed in the work God has given them to do. A coach comes alongside and draws out of the person being coached rather than being the expert pouring into them.

The coach will help the leader move forward and encourage them in developing their God-given potential by assisting them in reflecting on the reality of their situation and refocusing on where they want to go.

Coaching Values:

- 1.) *Honesty:* We will speak the truth in love.
- 2.) *Confidentiality:* We will not share anything outside this relationship without permission.
- 3.) *Vulnerability:* We will openly share both life and ministry issues with each other.
- 4.) *Punctuality:* We will be prompt for all appointments and calls in respect of each other.
- 5.) *Preparedness:* We will seek to complete action steps and be prepared for each appointment.
- 6.) *Prayer:* We will pray for one another on a regular basis.

Appointments: Once a month for 45-60 minutes.

Length of Commitment: We will begin on _____ and then continue meeting monthly for one year. The coaching contract may be extended beyond one year if the Multiplication Team, coach, and coachee desire.

Reporting: Both the coach and the coachee will turn in quarterly reports of their coaching experience to the EFC-ER Multiplication Team.
