On May 1st Newport Friends (RI) had a Grand Celebration as they reopened and dedicated their Children's Ministry area. Devastating results occurred last September in the aftermath of Hurricane Ida which brought torrential rains resulting in over 6" of standing water in their CE and Youth area. Several feet of drywall had to be removed from the walls in the 6,000 square foot facility resulting in over \$150,000 of remediation and repairs. The church is rejoicing in the generosity of the congregation as they completed the first phase of necessary repairs! Please pray for our sister church as they continue to reach out to their community with the hope of the gospel.
