The Initial Property Grant is intended to aid congregations who are preparing to purchase their first property or building. Eligibility:

Any EFC-ER congregation with Full Church Status that has not owned property previously is eligible to receive funds.

Amount:

Upon approval, the MT will distribute a grant equaling 10% of the total funds already raised by the congregation for the purchase of property, not to exceed \$20,000.

Conditions:

If the recipient congregation does not retain their status as a Full Church of EFC-ER for at least 10 years after the disbursement of the grant, they will be responsible to pay back the funds to EFC-ER in full.
