Children's Program

July 14th-17th

We are excited to spend the next few days with your children! There will be games, activities, and special events, including a bounce house to entertain and look after your little ones. There will be three areas specifically set up for the children; birth to 3 years, 4 years to kindergarten, and first grade to fifth grade. Please bring sunscreen and a towel for playing outside and with water games. There will be counselors there to help make sure the children are cared for, entertained and showered with the love of Jesus! Please sign up in advance and fill out the registration form so we are prepared for everyone. We will do our best to accommodate all allergies and requests. Thank you in advance for trusting us with your most precious gifts...your children,
