 3. Strategy Church strategy establishes a way to match your church's strengths with opportunities so that your church comes to mind when people have a need. Strategy is like an umbrella. It is a general statement(s) that guides and covers a set of activities. Consider: Are we implementing vision? Are we reaching annual goals both locally and globally? 	1 Comments:	2	3	4	5
 4. Preaching and Teaching Provides spiritual leadership to members of the church. Interprets biblical scripture for the congregation. Scripture should be used as a source of wisdom and discernment while providing counsel or support to church members in a variety of ways. Consider: Enthusiastically proclaiming God's word. Effective in people coming to Christ. 	1 Comments:	2	3	4	5
 5. Organizational Health Organizational health is defined as an organization's ability to function effectively, to cope adequately, to change appropriately, and to grow from within. Consider: Faces, finances and facilities up-to-date. Growing spiritually (# of people in small groups), numerically and new campus sites. 	1 Comments:	2	3	4	5
 6. Personal and Professional Health Personal development is a lifelong process. It is not just a way of solving problems, but it is a way of growing. It is a way for people to assess their skills and qualities, consider their aims in life and set goals in order to realize and maximize their potential. Consider: Leadership, reading and family. Decision-making – open to new ideas and ways of doing ministry to reach people. 	1 Comments:	2	3	4	5
