

Every Church. Every Pastor. Every Heart. United in God's Mission.

That is the goal of the EFC-ER Multiplication Team. We want to cultivate a multiplication movement of new churches and disciples throughout EFC-ER. God has done it through Friends before. We know He can do it again.

What if every church in EFC-ER united together on one day to ask God to renew our vision for multiplication and raise up new church planters from among our people? What might we see God do in response? . . . Let's find out!

Please plan to participate in our very first Multiplication Sunday on June 5, 2022.

Here is what we would like your church to do on this day:

- 1.) Take time during your service to show the 4-minute Church Planting Video.
- 2.) Spend time during your service praying in these specific ways:
 - a. Pray for current EFC-ER church plants (see list below)*
 - b. Pray that God would raise up new church planters throughout EFC-ER to begin new works (Luke 10:2).
 - c. Pray for the multiplication of disciples in your own context.
- 3.) Consider taking a special offering for our newest church planting project in Harrisburg, PA, led by Pastor Bhakta Tamang (*Send funds to EFC-ER marked "Multiplication Sunday Offering"*).
- 4.) Cast a vision for multiplication in your community.

We have included promotional materials for your church to use:
(11x17 printable poster, half-sheet handout, Multiplication Sunday logo).
