### BANQUET CELEBRATION

Saturday evening's highlight will be the WMF's Banquet. Come expecting a special evening together as we share a wonderful meal with fellowship followed by a time of worship and inspiration provided by Jennifer Shaw. This would be a great night to enjoy dressing up just a little.

Jennifer Shaw is a Telly Award winning speaker, author, singer, songwriter and five-time Top 40 Billboard artist. Her ministry has been featured by Focus on the Family, Insight for Living, FamilyLife Today, Autism Speaks, Joni and Friends, and many more. Her book, *Life Not Typical: How Special Needs Parenting Changed My Faith and My Song*, has brought national attention to the issue of Sensory Processing Disorder.

Her testimony includes tragedy and triumph, being both an adoptive parent, and the parent of a special needs child, and losing her father to Lou Gehrig's disease. With the release of her fifth album, *Nothing to Fear*, her songs offer hope in any circumstance and also reflect her experiences on the mission field in Asia, Africa, Central America and the UK.
